

MEETINGS, CLUBS AND SOCIETIES

In addition to conferences, training events etc, the museum plays host to a number of clubs and societies and has many volunteers of its own.

We are keen to support local community groups and organisations with charitable objectives and are happy to negotiate preferential rates.

Whether you are interested in finding a home for your community group, or a venue for your AGM, call us on **0151 355 5017**

And remember, we also offer a great venue for a special day out for groups.

Successful and enjoyable events in an iconic venue.

“The conference room and lunch were excellent... fresh crispy rolls and deserts to die for.”

“We held our 2009 Conference at the museum and were absolutely delighted. The facilities for our 120 delegates were excellent, the catering won universal plaudits, and the ‘can do’ attitude of the staff made the conference organiser’s job very easy”.
